Notes: • Product upgradation is a continuous process in CERA. Therefore, the specifications may change from time to time. • Please verify the actual product for correct specifications, before purchase. • The colours of ceramic/plastic/stainless steel and other material used for manufacturing CERA range of products and those of printing inks do not match exactly. Therefore, colour selection may be done from actual products. • Whilst every precaution is taken in the compilation of our price list, we do not accept responsibility for any error or omission. • All dimensions are in millimetre (nominal). • Dimensional variations are inherent character of ceramic products and tolerances may be±2% or as allowed/specified by BIS or Company's quality norms. • Prices are subject to change without prior notice. • Warranty of the product will become null and void if the installation is not done as recommended by the Company and/or if not done by qualified and trained technicians. •This supersedes all previous pricelists.
